HERNÁDVÉCSE

ANNIVERSARY PROFESSIONAL CONFERENCE

REGIONAL CIVILIAN CENTRE FOUNDATION

During the 15. November conference, the representatives of the EUROPÉER Foundation, and the representatives of the Slovakian partner Selye János University, Prof. Dr. József Poór took part. The central topic of the conference was labour market development, equal opportunity and advisory activity.

The Anniversary conference first evaluated the twenty years of the Regional Civilian Centre Foundation. The organisation deals with a wide array of activities in Miskolc city, in Borsod-Abaúj-Zemplén County, and in the entire Northern Hungary Region in developing NGOs, strengthening cooperation between sectors, and social equality and integration.

Before the professional programmes, Dr. Richárd Hörcsik, and Zoltán Demeter parliament representatives, and Dr. Boglárka Bánné Gál, president of the Borsod-Abaúj-Zemplén County commons held speeches.

The early hours were about social equality's toolset, social innovation's role in equality, and civilian presence and role in improving employment in the county. Dóra Szendrák, executive president of the ReCIK Foundation spoke about the last twenty years in summary, which was also illustrated with a movie presentation.

Afternoon hours were about labour market integration and social equality's challenges in the podium discussions. By the end of the day, participants could visit the community coffee lounge, and visit the local products.
